Dear Bob and Suzanne,

On behalf of all members of the Linfield community, thank you for your gift of \$xx.xx designated to the xxxx Fund.

It's not unusual to hear Linfield referred to as an "athletic powerhouse." And while that winning spirit is a rich part of our heritage, I'd like to share with you the dreams our students-athletes and coaches pursue on – and off – the field.

Our coaches, some of the most committed in the NCAA, see athletics as another kind of classroom. They work to ensure that their athletes learn the skills that make all Linfield students successful: the value of working as a team, strategies for making ethical decisions in tough situations, the joy of identifying and building on their unique talents. In other words, on and off the field, our student-athletes become leaders. In fact, our alumni often report that everything they needed to know to succeed in life they learned as a Wildcat athlete.

Your generous gifts help provide the beautiful facilities, striking uniforms, equipment and transportation necessary to keep our Wildcats safe and competitive. However, the greatest impact of your gift is that it helps us transform our athletes into confident citizens, strong in body, mind and spirit. Thank you.

Best regards,
